## CERTIFICATE FOR STRUCTURAL DESIGN SUFFICIENCY

With respect to the building of Sri Sharada Public School located at No.271, Bogadi village, Kasaba Hobli, Mysore. We certify that the structural plans of the building meet the structural safety requirement for all situations including natural disasters, as applicable as stipulated under part 6 structural design of the national building code of India and other relevant codes; the design has been done after detailed soil test and we are satisfied as to the adequacy of soil test carried out and the information given therein is factually correct to the best of our knowledge and understanding. On the basis of this study we consider the building to be safe and stable for the next 15 (Fifteen) years from this date.
