

## Our Vision

To provide holistic environment where minds grow

## Our Mission

Sri Sharada Public School (SSPS) recognises that each child is an individual; that all children are creative; that all children need to succeed. Therefore, SSPS respects the individual needs of children; fosters a caring and creative environment; and emphasises the social, emotional, physical, intellectual development of each child.

# Welcome to Sri Sharada Public School

We are delighted to share with you the many facets of our school, and what it is that makes it such a special place for your children.

Sri Sharada Public School was founded in 2008, located amidst quiet and clean surroundings of Mysuru.

The School is spread over two acres of land with an infrastructure of about 30,000 sq. ft, and provision to construct another 14,000 sq ft.

The school provides excellent facilities for modern day education.

# About Our School

Choosing the right school for your child is important as it can have a big impact on their happiness and wellbeing as well as how well they do at school. We hope you will find our prospectus helpful, informative and stimulating towards making the right decision for your child.

Education plays the most important role in acquiring professional and social skills and a positive attitude to face the challenges of life. Our curriculum is a comprehensive plan of educational programme.

Our curriculum has been designed to nurture multiple intelligences like linguistic/verbal intelligence, logical mathematical intelligence, spatial intelligence, sports intelligence, musical intelligence, inter-personal intelligence and intra-personal intelligence.

- The magnificent setting is over two acres of land with a built-in infrastructure of about 30,000 sq ft, and a provision for another 14,000 sq. ft, this educational complex is one of the largest in city.
- Situated on the outskirts of Mysuru, yet well connected to the heart of city.
- The school is affiliated to the Central Board of Secondary Education (CBSE); with English as the medium of instruction.
- We have a team of experienced and well qualified staff that nurtures children for their future lives.
- With over 30 classrooms, the campus is monitored by CCTV and a fully-functional control room.
- Transportation is available through school owned fleet. The buses are equipped with GPRS and CCTV cameras adhering to state government rules and regulations.

# Aiming For Excellence

Sri Sharada Public School strives to provide a friendly and relaxed environment where children engage with the needs and interests of society, learn and appreciate the challenges of higher education and that of the work place.

- Delivering a curriculum which meets the needs of all by encouraging, exciting, challenging and stimulating each child to question and enjoy the opportunities available to them.
- Promoting physical fitness and creativity together with a positive attitude to maintain a healthy lifestyle.
- Developing self-confidence, self-esteem and personal responsibility to make them recognise the importance of human relationships based on understanding, mutual respect and tolerance.
- Instilling civic responsibility, dignity of labour, respect towards elders and patriotism in each child.
- Valuing our community and seek to involve our staff, students and their parents in a positive and effective partnership.
- Leading through excellence in the realms of academics, culture, sports and social service.

# Message from the chairman

***Endurance is one of the most difficult disciplines, but it is to the one who endures, that the final victory comes***

True to the word of wisdom, Sri Sharada Public School weathered the test of time and has carved for itself a niche in the field of education.

Sri Sharada Public School established in the year 2008 has been successfully imparting value based education focusing on all-round development of its students, encouraging them in academics, sports, culture, music & dance activities.

After having spent more than three decades managing various educational institutions in this city, have created this institution with the aim of nurturing the children from all classes of society, and make quality education affordable.

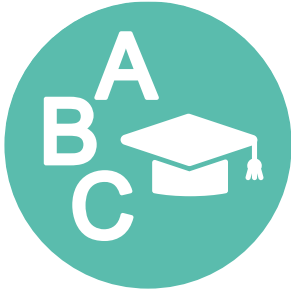

At Sri Sharada Public School, we strongly believe in developing and encouraging each student to the moral values like honesty, trust, and respect for others. The staff here closely works with students and their parents for grooming them into good human beings.

My team will always be available and take you through the campus and answer all the queries you may have.

Wish you and your child a year full of happiness, peace and prosperity.

With warm regards,

Ramanathan S  
Founder Chairman

# Academics & Curriculum

A child studying at Sri Sharada Public School will have access to a broad and balanced curriculum that is relevant to its individual needs.

Our curriculum ensures that:

- Student cultivates the habit of hard work and pride in achievements.
- Develops a moral sense of responsibility, and also sound courteous manners.
- Provides opportunities to access cultural activities.

We recognise that all students are individuals with a range of strengths and qualities, and develop at different pace in revealing their promise at varying stages.

The manner in which the curriculum is prepared allows for adaptability according to individuals' requirement. Students are monitored carefully throughout the academic year.

# Curriculum in Action

## Pre-School (Prep I & II)

The school offers a blend of Kindergarten and Montessori approach. The curriculum caters to each child's emotional and educational growth through appropriate teaching methods; an amalgamation of basic skills through games and social interaction. It promotes the child to develop socially by making friends and understanding the idea of kinship.

## Primary School

The Primary School Programme comprises of Grades I to IV.

The teaching and learning methodology is interdisciplinary and ensures wholesome growth of each student.

For better grasp of concepts, interactive multimedia teaching aids like DigiClass are used. A special fitness programme to promote health and excellence in sports is mandatory. Also, clubs and forums promote group activities and imbibe leadership qualities.

# Curriculum in Action

## Middle School

The Middle School Programme comprises grades V to VII.

Learning from this level onwards is not only interdisciplinary in its approach but also focuses on exploration. Worksheets for practical learning and the use of DigiClass in each classroom leads to a better understanding of complex concepts; particularly in the areas of sciences and mathematics. Communicative English forms an important part of the curriculum.

## Secondary School

The Secondary School Programme comprises Grades VIII to X.

It is the preparatory stage for the CBSE Senior Secondary Programme. Special focus is given to bring out each student's interests in order to prepare them for subject selection at the next level. Personal, social and health education continue to be a compulsory component.

## Faculty

The staff at Sri Sharada Public School ensures that delivery of a balanced curriculum leads to good education. Our teachers are well qualified, dedicated and approachable by every student, so that our students feel contented and secure while at the same time stay fully challenged in the learning process.

## The DigiClass

It is an Information and Communication Technology based solution that combines state-of-the-art hardware in compliance with the syllabus and offers multimedia based interactive content. DigiClass empowers teachers to transform the traditional blackboard-and-chalk classrooms into interactive sessions. The multimedia content enables teachers to explain complex concepts in far better ways enabling the students to retain information for a longer period of time.

## Robotics

The curriculum is based on the concept of Science, Technology, Engineering, and Mathematics (STEM) where we use robotics as one of the major learning tools. Robotics is an interdisciplinary subject which covers major concepts of sciences, and is a creative tool for invoking innovative thinking amongst students.

## Laboratories

The school is adequately equipped with labs for Physics and Chemistry as per the requirements and guidelines of the CBSE.

## Library & Computer Laboratory

These are the two significant and integral assets of the school where huge investments have been made to make them most modern and up-to-date.

The school has a vast book library containing a variety of books including text books, reference books and encyclopaedias. With subscriptions to latest periodicals, journals, magazines and newsletters the student stay updated with local and global happenings all through the year. School encourages students to use the library for reading, creative writing and preparing book reviews and projects.

## Sports

Throughout their schooling here, students have the opportunity to participate in athletic and varieties of sports, including football, badminton, basketball, volley ball, throw ball, and table tennis. In addition to fully equipped indoor and outdoor sports' facilities, there is also a skating rink and a basketball court within the school premises.

# Extra Curricular Activities

Creative Arts, in the form of art, music and drama play an important role in overall development of a child, school has an array of activities to choose from:

## Music

Students inclined towards music are able to develop their skills using the instruments of their choice. The school is equipped with a complete school band too.

## Drama

The Drama Club acts as an extension to practical class work for those students who take drama as a subject and as a platform for self-expression and exploration.

## Field trips and Excursions

Complementing their classroom learning, annual excursions are held to places of interest, with field trips to enhance their learning through experience.

## Debating and Public Speaking

Emphasis on these two activities enable the students to put their point across and overcome stage-fear. These activities also encourage the students to remain abreast of the current affairs and important events.

## House system

The school is divided into subunits called houses, they are-Ruby, Emerald, Topaz and Sapphire. They are designed to encourage team work, participation, healthy competition and inculcate the spirit of competition.

## Bridge Parents (Student Update to Parents)

School is equipped with a state-of-art, internet based connectivity to provide their students and their parents up to date information with regard to attendance, scores, gradings and general information.

# General Information

## Code Of Conduct

- Students should reach the school on time as regular attendance and punctuality is mandatory.
- Students should come in their school uniform; clean and ironed.
- Wearing jewellery, henna and other accessories to school is not allowed to ensure simplicity and uniformity amongst all students. Girls may wear a pair of simple earrings, preferably studs.
- Care should be taken not to damage the school property. Students are liable to make good all the damages they cause to the school property.
- Students are prohibited from bringing mobile phones, cameras, slam books, picture books, comics, video games and other recreational gadgets.

## Child Protection Committee

Students come first at Sri Sharada Public School. Thus we have a Child Protection Policy with active participation from Management, Principal, Teachers and Parents.

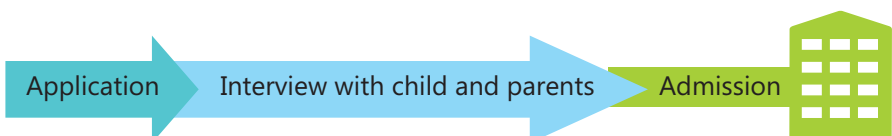

## First Aid

If a child is unwell at school we have a medical bay and trained assistance to take care. When deemed necessary, parents are contacted so that arrangements can be made for the child to be taken home. We ask parents to provide the school with basic details relating to their child's medical background so that we can ensure that their needs are met.

## Admissions Policy

We admit children for whom we are able to offer the opportunity to excel and achieve their very best in all aspects of their development.
